Joe Walsh)

Sometimes I dream of the future

And sometimes I travel down Memory Lane

With the Yesterday Daily Review

Memories carefully kept in a pile

Like newspapers stacked in the corner

To relive my yesterdays once in a while

Although they are faded and worn

They remind me

Once in a while

Of far away places and long ago names

Yesterdays back down the road that you came

Somewhere behind you down Memory Lane

Memory Lane -- down Memory Lane

And when my luck comes to the end of the line

Like old men you see in the subway

I'll thumb through the pages and take my last ride

With the Yesterday Daily Review

Right there beside me

To remind me

Once in a while

Of far away places and long ago names

Yesterdays back down the road that you came

Somewhere behind you down Memory Lane

Down Memory Lane -- down Memory Lane
