Honey, your ways suck me dry  
There is nowhere to hide  
Well, I thought just as a friend of mine  
you'd make it better  
Thought of living a lie  
Honey, your love makes me high  
sweet words and love  
makes me cry  
When I take you out on a Sunday  
evening to watch the birds in the sky  
That makes me feelin' so fine  
I'm making you sigh  
You're making me cry  
There's no wondering why

-Chorus-

Lovin' is alright  
Lovin' is all wrong  
Lovin' is what's keeping us together  
Lovin' is forever  
Lovin' as you're weak  
Lovin' when you're strong  
Lovin' is forever

Honey, you've been quiet all day  
What do you want me to say  
What's been on your mind for a million  
hours now, baby  
You think it's better that way  
Think I want you to cry  
Think our love is a lie  
Then don't tell me why

Chorus

Loneliness is no friend of mine,  
it's wrong to sacrifice the feeling  
that's been going on for so long  
So, let's not break it up  
let's kiss and make it up now

## Chorus
