god save the queen
the facist regime
they made you a moron
potential h-bomb
god save the queen
she aint no human being
there is no future
in englands dreaming
don't be told what you want
don't be told what you need
there's no future no future
no future for you
god save the queen
we mean it man
we love our queen
god saves
god save the queen
'cos tourists are money
our figure head
is not what she seems
oh god save history
god save your mad parade
oh lord god have mercy
all crimes are paid
when there's no future
how can there be sin
we're the flowers in the dustbin
we're the poison in your human machine
we're the future you're future
god save the queen
we mean it man
we love our queen
god saves
god save the queen
we mean it man
and there is no future
in englands dreaming
no future no future
no future for you
no future no future
no future no future for me

no future no future
no future for you
