It blows my mind now that I found you
Deep in the night of tequila boom boom
Slide by me, sexy thing, sexy and fine
I got my eyes on you all of the time.....yeah

You?ve got to have chaos burnin? in you
To make you open like a flower in bloom
Hell lives inside you next to paradise
The moon and sun have come to watch your shine

Baby, the night is on fire
Yea, we?re flames in the sky
Flashin? through the night.....what you say?

Baila, baila morena
Sotto questa luna piena
Under the moonlight
Under the moonlight

Go chica, go cocca keep it all shakin?
You know tonight somethin?s up for the takin?
My heart is gold, heart of a saint
With you beside me girl, oh, then I ain?t

Baby, the night is on fire
Yea, we?re flames in the sky
A scandal in the night.....what you say?

Baila, baila morena
Sotto questa luna piena
Under the moonlight

Baila, under the moonlight
Sotto questa luna piena
Baila morena.....yeah yeah yeah

You got me hurtin? so bad, so bad
I got to have it, so bad

Baila, baila morena
Sotto questa luna piena

Under the moonlight

Baila, under the moonlight
Sotto questa luna piena
Baila morena

Sotto questa luna piena
Sotto questa luna piena
Sotto questa luna piena

Under the moonlight.
