I Wanna Be Be Be Be Be Be Be  
I Wanna Be Be Be Be Be Be Be  
I Wanna Be Be Be Be Be Be Be  
I Wanna Be Be Be Be Be Be Be Be (Be Be Be Be)

I Wanna Be Be Be  
Far Away Ay Ay  
So I Can Be Be Be  
There At Home  
And I Can See See See  
You Again Oh My  
Native Land And  
I I I Will Be Home

I Wanna Be Be Be  
Far Away Ay Ay  
So I Can Be Be Be  
There At Home  
And I Can See See See  
You Again Oh My  
Native Land And  
I I I Will Be Home

Yes I Wanna Be Home  
And You Know That I Do  
When I'm Very Very Far Away  
From This Place  
Yes I Want To Be Home  
Back To You Again  
Yeah Just Check It Out  
Come On And Check It Out

I Wanna Be Be Be  
Far Away Ay Ay  
So I Can Be Be Be  
There At Home  
And I Can See See See  
You Again Oh My  
Native Land And  
I I I Will Be Home

I Wanna Be Be Be  
Far Away Ay Ay  
So I Can Be Be Be  
There At Home  
And I Can See See See  
You Again Oh My  
Native Land And  
I I I Will Be Home

Yes I Wanna Be Home  
And You Know That I Do  
When I'm Very Very Far Away  
From This Place  
Yes I Want To Be Home  
Back To You Again  
Yeah Just Check It Out  
Come On And Check It Out

I Wanna Be Be Be  
Far Away Ay Ay  
So I Can Be Be Be  
There At Home  
And I Can See See See  
You Again Oh My  
Native Land And  
I I I Will Be Home

I Wanna Be Be Be  
Far Away Ay Ay  
So I Can Be Be Be  
There At Home  
And I Can See See See  
You Again Oh My  
Native Land And  
I I I Will Be Home
