I wish you love
Even my life
Here I stand
Heaven will cry, for sure
Tomorrow understands

I wish you love
That is my crime
Stolen tears promise to cry
The shore
A mirror of the land

I wish you love
I wish you care
I wish you love
I'll still be there
I wish you love
I wish you love

Waving to trains
My empty hands
There we'll stand
In minutes gone by, so long
To never understand

I wish you love
I wish you care
I wish you love
I'll still be there
I wish you love
I wish you love

Fiore del pianto
Spero soltanto
Che vada melio x te

(Tears of flowers
I wish you the best for all time)

I wish you love
I wish you care

I wish you love
I'll still be there
I wish you love
I wish you love

I wish you lovin'
All that I can
I wish you love me
I wish you joy

I wish you freedom
I wish you love
