(feat. The Korgis)

Oramai
Look around you
Oramai
(Change your heart)
Mi sorvola
(Look around you)
L'amore invano
(Change your heart)
Cos? leggero
(It will astound you)

E piovono baci dal cielo
(I need you loving)
Leggeri come fiori di melo
(Like the sunshine)
Gocce di mercurio dal cielo
(And everybody's got to learn sometimes)
Mm mm

Change your heart baby
(Change your heart)
Look around you
(Look around you)
Change your heart
(Change your heart)
It will astound you
(It will astound you)
I need your loving
(I need your loving)
Mm like the sunshine
(Like the sunshine)

Everybody's got to learn sometimes
(Everybody's got to learn sometimes)
Everybody's got to learn sometimes
(Change your heart)
Everybody's got to learn sometimes
(Look around you)
Mm mm mm

(Change your heart)
(It will astound you)
I need your loving
(I need your loving)
(Like the sunshine)
Yeh I need your loving
(mm)
Like the sunshine mm mm

And everybody's got to learn sometimes
And everybody's got to learn sometimes [got to learn
sometimes]
Gocce di mercurio dal cielo
Mm mm-mm

Esplodono baci dal cielo
e i nostri bei figli sul melo
Indaco dagli occhi del cielo
Mm mm-mm

Indaco dagli occhi del cielo
(Everybody's got to learn sometimes)
(Everybody's got to learn sometimes)
