This ain't the way,
I spend my mornings baby
Come stai?
You been with him,
And you come back Lady
Hey, what's he like?
I just sit, and watch the ocean
With myself, even I do my own cookin'
You can laugh, you're forgiven, but
I'm no longer frightened, to be livin'
Senza una donna,
No more pain and no sorrow
Without a woman,
I'll make it through tomorrow
Senza una donna,
Givin' me torture and bliss
Without a woman, better like this
There is no way,
That you can buy me baby
Don't make fun
You got to dig, a little deeper lady
(in the heart?)
Yeah, if you have one
Here's my heart, feel the power
Look at me, I'm a flower
You can laugh, you're forgiven, but
I'm no longer frightened, to be livin'
Without a woman...
Senza una donna...
Oooh, I stay here, and watch the ocean
Don't know why, I keep on talkin'
You may laugh, you're forgiven, but
I'm no longer frightened (maybe)
To be livin'
Senza una donna...
Without a woman...
Senza una donna...
Without a woman...
Vieni qui! Come on in
Senza una donna,
I don't know what might follow

Senza una donna
Oh, maybe from tomorrow!
Senza una bonna
Givin' me torture and bliss
