The Flight

Stray cats in a mad dog city

9 ways to sorrow

A momenta€™s all it takes to say goodbye

Ia€™m waiting

Wild cats in a sad dog story

9 roads to follow

A momenta€™s all it takes to say goodbye

For all the days before us a€™ for love

For all the pain youa€™ve got

Say you wona€™t - say you wona€™t give up

Sogno, qualcosa di buono

Che mi illumini il mondo

Buono come tea€™!

Cause when love comes a€™ the world has new meaning

And everythinga€™s gleaming

Like the downtown lights

Stray cats in a mad dog city

9 lives to borrow

A momenta€™s all it takes to say goodbye

Ia€™m waiting

Lost cats in a dead end story

9 lines that echo

A momenta€™s all it takes to say goodbye

For all the days before us a€™ for love

For all the pain youa€™ve got

Say you wona€™t - say you wona€™t give up

Love comes a€™ and gives you that feeling

Youa€™re suddenly dreaming

Of a brand new day

Che ho bisogno, di qualcosa di vero

Che illumini il cielo

Proprio come te!!!

Siamo caduti in volo, mio cielo

Siamo caduti in volo

Baby dona€™t cry, baby dona€™t cry

Baby dona€™t cry, baby dona€™t cry

Theya€™re gonna paint this town a€™ for us

Turn it upside down

Say you wona€™t - say you wona€™t give up

Sogno, qualcosa di buono  
Che mi illumini il mondo  
Buono come tea  
Cause when love comes a the world has new  
meaning  
And everything's gleaming  
Like the downtown lights  
Cause when love comes a the world has new  
meaning  
You are suddenly dreaming  
Of a brand new day
