I'd tear my lungs out  
You know it if I only got the chance  
I'll make you a believer  
If somewhere inside you there is romance

I laid with love  
Love didn't stay anyway

I thought I was important  
I thought that one day I would rule  
Blinded by ignorance  
I was exposed  
I was the fool

Who laid with love  
Love didn't stay anyway

My old house is gone  
My conscience gone  
The bitch is gone  
So maybe at last I can be someone

Yeah, I laid with love  
Love didn't stay anyway

I picked up the pieces  
Time after time and again  
I was the one who broke  
But I didn't see it back then

I laid with love  
Love didn't stay anyway

I'd tear my lungs out  
You know it if I only got the chance  
I will make you a believer  
If somewhere inside you there is romance

I laid with love  
Love didn't stay anyway

My old house is gone  
My conscience gone  
The bitch is gone  
So maybe at last I can be someone

Yeah, I laid with love  
Love didn't stay anyway
