Yo, you wanna be with me boy...
Every little thing (thing)
I do (do)
you wanna be (be)
with me 'cause i got everything you need
you alwas stare at me without no reason
to be looking at me
every move makes me shake every touch on my hand
makes mmee want you more
chores
you wanna be with me cause boy you know i got it
every day you come my way but don't say nuttin at all
what is ur deal
(Mandy)
SO SO you got it SO SO
you say you want me so bad by I don't your shit right
now bab
chores
you wanna be with me but you don't talk at all
do ya wanna be with me
