Your name here
Believe me
It's not what you think
Wish what you want
It's all the same to me
Well not really, but anyway
It's just it's nothing so simple
Nothing so silly
Nothing so mundane

Go east on Sunrise Highway
Turn left at Carmen's Avenue
Go right at the first stop-light
And I'll be outside, waiting for you
I'll Be waiting for you

Your name in lights
It was only a matter of time
Your name in parenthesis
Cause after this mess
I guess you bet
That I'd collapse before you do
Well maybe that's true
Or maybe it's not at all

Go east on Sunrise Highway
Turn left at Carmen's Avenue
Go right at the first stop-light
And I'll be outside, waiting for you
I'll be waiting for you

Go east on Sunrise Highway
Turn left at Carmen's Avenue
Go right at the first stop-light
And I'll be outside, waiting for you
