[Intro: Warcloud] Warcloud formerly known as  
Holocaust Representing for the West Coast  
Underground I'd like to give a call of Allah Truth Shout  
of to the Deep Space Nine 'Cause Wu-Tang will always  
Triumph Wu-Tang will always Triumph  
Warcloud/Holocaust [Warcloud] The yard was full of  
Elephant Men, I kicked the jukebox Strangled you in a  
park that night, I came with two glocks Clapping  
through, loop shots, sling shot and bust them Get that  
ass, bust sterling gat never mistrust them It's like Lou  
Gehrig's disease, he pulled the gun out A mind quite  
seriously the falling stone uniform Stomp the upper  
toilet, dawn firing range of rage Roid rage, gat bust,  
act up you will get smacked up Power will be arise to  
Lexington to one of the British A defeated Washington  
retreats across to Delaware Never in my heart  
congress markets that's legal Meet Trembling Eagle,  
two Desert Eagles in war paint Homemade by war  
heads, pharmaceutical numeral Your famous funeral,  
air fortress fearless Frontiers sauna from the facility of  
the flesh fossils And folklores of flexible, fluorescent,  
furious future Forgive fatal Foot Soldier's flag force  
Faculty fade away, first class Faberge fabric Fanatic  
foes in formula flow Forever force freaks fancy  
foreigners Afford to fall behind is to fall asleep, fierce  
fiery flight fleet Bludgeon flawlessly ferociously  
fluctuates frightening fantasy Unforgiven forbidden  
fugitive's flamboyant flashback fiasco Fathom 4th of  
July fable, his worst thought, final photosynthesis Folk  
of the feedback board The skill of sword or fighting  
with the fist Flossy, flashy, festering far fog mount face  
breaker Flaming flying famous Frankenstein factory,  
vocals on coastal
