I lay down
With an angel
I lay down
With an angel
Â'cause she treat me kind sometimes
Vieni in me
Portami via
Ali d'oro
Vieni in me
Fammi volare
Mio cielo

Siamo I'inganno
Portami via
Anima mia, oh mia.
I lay down
With an angel
I lay down
With an angel
I lay down
I lay down thinking
More than I could
Really say.

Stai in me
Continua a volare
Ali d'oro

Siamo I'inganno
Baciami il cuore
Anima mia, oh mia.

I lay down
With an angel
I lay down
With an angel
I lay down
I lay down thinking
More than I could
Really say.

Vedo nel sole dei tuoi occhi

Un altro sole cadere
Siamo l'addio e non la fine
Senza ricordi neppure.

Uh baby, portami via.....

I lay down with an angel
I lay down
Uoh..... with an angel
Lay me down
I lay down
I lay down thinking
More than I could
Really say

I lay down with an angel
I lay down
Sweet..... with an angel
Lay
I lay down
I lay down thinking
Baby more than I could
Really say

Really say
