Snow is softly falling
Look at how it's coming
Yeah, I'm thinking of you
And I know what's true
Sparkling meadows
A thousand stars are shining
Fall in colours blinding
Rainbows in the night
And I know what's right
Sparkling meadows

But it's not the time
Who will break us
And it's not the wind
Who will shake us
No it's not the time
Who will change us

'Cause I believe in this beautiful love
and I believe in this beautiful love
'Cause I believe in this beautiful love

Snow is softly falling
How it comes so lightly
I'm thinking of you
The whole night through
Sparkling meadows

You know we'll meet again
I wait for that night
You know we'll meet again
And maybe it's that night
Who'll come to find us
Believing in us

'Cause I believe in this beautiful love
and I believe in this beautiful love
'Cause I believe in this beautiful love

What bright light you are
The night's full of stars
Diamond in the dark

Who's makin' sparks

Amore mio dov'è?
The love I am missing
I wait for your sun
For dawn I am wishing

'Cause I believe in this beautiful love
and I believe in this beautiful love
'Cause I believe in this beautiful love
