The road baby, is tight
and we roll, baby you know tonight
there's a full pie in the sky
and it pulls, baby you know to right
it's fair because
I get higher than I think I was
we pull over when we're tired
we get wired
you're so witty and white
and we roll
all of your gold tonight
you are so out of site
but your girlfriend hippie trans love to fly
it's fair because
I get higher than I think I was
we pull over when we're tired
we get wired
it's fair because
I get higher than I think I was
we pull over when we're tired
we get wired
