Well I'm going to see you soon in Amsterdam.

I can't believe I can get there but I can, mam.

I hope when I see you that you're still likin' who I am, I am.

But if you don't baby well I'll still tell you that, I understand.

I'll tell you, I I I understand. I'll tell you, I I I understand.

I'll tell you I ...

I'm goin to see you in a foreign land.

I'll pack my bags, oh lord I'm a travelin man's, man.

I hope when I see you that you're still likin' who I am oh yeah.

But if you don't baby well I'll still tell you that, I understand.

I'll tell you, I I I understand. I'll tell you I I I understand.

I'll tell you I...

If you don't baby well I'll still tell you that, I understand.

I'll tell you, I I I understand.

I'll tell you I I I understand, I'll tell you I, Hey
