"Genius"

I'll take the blame
If I ever want to
For what my little brain has been through
I know to say
Things I never meant to
To seem a little more sane
'Cause that's what it takes
If I ever could win
If I ever could see
If I just could ever remember to think
about anything
Darling, give me a rope
I'll hang myself
It doesn't take a genius to figure it out
Don't have to be fucking brilliant to see
I'm not as smart as I seem to be
I'm not as bright as I used to be
I'm not as sharp as I think I am
I'm not as smart as I seem
I'm not as bright as I seem
