Hey I said you're godless and, it seems like you're a  
souless friend.

As thoughtless as you were back then, I swear that you  
are godless.

Hey I guess you're lonely when, I gave you all it took so  
then,

stranger then it's ever been.

I guess, It's what you wanted.

It seems, lonely I would be.

I beg, I plead, but this is all that I have gotten.

Hey as for the day my friend.

To hope that you could ever bend.

I swear you are, I swear you are, I swear, That you are  
godless.

Hey I said you're godless, hey and you're a souless  
friend.

Hey I said you're thoughtless, and I swear, I swear.  
Godless,

godless, god. You're godless
