Yeah, well I could rock her
like a doctor
if i found a way to get her uppers
I could own her, the crazy loner
If I found my way to Minnesoter
Oh yeah, in a slumber, I'm sawing lumber
I saw my baby dance a Latin number
With her shirt off, oh man her skin's soft
But in her mood she'd rather if I jerked off
If I found my way to Minnesota, Minnesota yeah
Yeah well I could rock her, like a doctor
If I found a way to get her uppers
Well I could own her, the crazy loner
If I found my way to Minnesoter
Yeah, if I found my way to Minnesoter
Yeah, if I found my way to Minnesota, Minnesota yeah
