"NOTHING"

You want for nothing
that's what you decide
always on
always gone
cause you all want nothing
that's you inside
always gone
always on
and you only want nothing
for yourself
always want the other side
you could be trying
oh what's it like
to own this town
that's allright for you
any cause that you want to do
well it's alright
I'd suffer anything that you do to me
you want for nothing
you want for nothing
cause you want for nothing

nothing
