Oh you got me shakin, oh you got me high.
I didn't know till now, I'm not that good,
But. You were drinking, and thinking all night.
You were hot so you thought, you didn't want to try.
You were getting older, I was getting wiser not.
You could see no reason to be any nicer but
I still can't seem to help but want you back back back
back back.
Well, You said I'm lazy, well maybe you're right.
I turned around and said, Hey Man! Turn that shit off!
Maybe baby you act like a star, You did not do
anything,
who did you think you are?
You were getting older, I was getting wiser not.
You could see no reason to be any nicer, but.
Well you get what you got and you learn how to like it,
but I can't seem to help but want you back back back
back back.
Ah!
You were getting older, I was getting wiser not.
Say you will, but you won't, but you did, but you don't.
Ah! ha ha ha ha. Ah! ha ha ha ha.
You can see no reason, to be any nicer, but anyway you
slice it,
I just don't get no wiser.
But I still can't seem to help but want you back back.
Ah! Help but want you..... back back back back back
back. Ah! Ah! Ah
