My sweet love, I'll take you there.

Comin' for to carry you home.

I'll take you down to the water.

Comin' for to carry you home.

No more weary, no more tired.

Comin' for to carry you home.

My sweet love,

I will take you there.

Comin' for to carry you home.

I will take you home.

I will take you home.

My darling, I will shelter you.

Comin' for to carry you home.

I'll lay you down still water.

Comin' for to carry you home.

No more weary, no more tired.

Comin' for to carry you home.

Comin' for to carry you home.

I will take you home, I will take you home.

I will take you home, I will take you home
