I change the world, I change the world
I change the world, I wanna change the world

This ain't the way I spend my mornings baby
Come stai?
You been with him, now you come back my lady
What's he like?
I just sit and watch the ocean by myself
Even I do my own cookin'
You can laugh there, you're forgiven but I'm no
longer frightened to be livin'
Senza una donna
No more pain and no sorrow
Senza una donna
I'll make it through tomorrow
Senza una donna
Giving me torture and bliss
Without a woman, better like this
There is no way that you can buy me baby
Don't make fun
You got to dig a little deeper lady
(In the heart?)
Yeah, if you have one
Here's my heart, feel the power
Look at me (Look at me), I'm a flower
You can laugh, yeah, you're forgiven but I'm no
longer frightened to be livin'
Senza una donna
No more pain and no sorrow
Senza una donna
I'll make it through tomorrow
Senza una donna
Giving me torture and bliss

I stay here and watch the ocean
Don't know why (Don't know why), I keep on talkin' (I
keep on talkin')
You may laugh, you're forgiven but I'm no longer
frightened (Maybe) to be livin'
Senza una donna
No more pain and no sorrow
Senza una donna

You know, I'll make it through tomorrow
Senza una donna
Giving me torture and bliss
Without a woman, vieni qui
Come on in
Senza una donna
I don't know what might follow
Senza una donna
Oh, but maybe from tomorrow
Senza una donna
Giving me torture and bliss
