The way I see it, it's no sin  
The way I held you in the dark  
It was the right way to begin  
Tell me why can't I forget about you

Stayed out drinking with my friends  
Dancing with a girl or two  
You know the story but the tale never ends  
Tell me why can't I forget about you

Why can't I forget about you why can't I forget about  
you why can't I  
forget about you why can't I forget about you

Leaving town just to forget Many miles away from  
you Nothing to go back  
to Tell me why can't I forget about you

Mosquitoes circling the pale porch light They don't know  
that it ain't no  
use When thoughts come running in the middle of the  
night I can't believe I  
m losing you

Why can't I forget about you why can't I forget about  
you why can't I  
forget about you why can't I forget about you
