every man has the right to decide his own destiny,
and in this judgement there is no partiality.
and soon we'll find out who is the real revolutionary
and i dont want my people to be tricked my
mersonaries

and brother your right your right your right your right
your so right
we gonna fight we gonna fight were gonna fight
fighting for our right

natty dread it in zimbabwe
set it up in zimbabwe
now your gonna liberate zimbabwe 2x

no more internal power struggle
we come together to overcome our little struggle
and soon we'll find out who is the real revolutionary
and i dont want my people to be contrary.

and brother your right your right your right your right
your so right
we gonna fight we gonna fight were gonna fight
fighting for our right

natty dread it in zimbabwe
set it up in zimbabwe
now your gonna liberate zimbabwe 4x
