Everyone is walking on the edge of life  
Like the ghost of a shadow barely alive  
Even time's in a rush but it's going no where  
Everyone's connected, but no one is connecting  
The human of a man has long been missing  
Tell me have you seen it?  
Have you seen it?

Or are we alone?  
Tell me something to believe in  
Tell me, are we alone?  
Where is the love? Where is the feeling?  
Is anybody out there?  
Is anyone listening?  
Is anyone left in this whole world?  
Or are we alone?  
Alone!

Everybody needs to know  
Somebody who cares, just a friendly face  
You can trust who'll be there, I'm too afraid to move on  
And not be a stranger

Cause everyone's connected but no one is connecting  
The human of a man has long been missing  
Tell me, have you seen it?  
Have you seen it?

Or are we alone?  
Tell me something to believe in  
Tell me, are we alone?  
Where is the love? Where is the feeling?  
Is anybody out there?  
Is anyone listening?  
Is anyone left in this whole world?

Or are we alone?

Aloneâ€¦

Is anyone left in this whole world?

Or are we alone?

Aloneâ€¦
