Under my soul, I hide, chasing emotions  
Can't you see?  
If I let it go, will we reveal, a sign of devotion, all you  
feel?

Sometimes there's a moment  
Sometimes we don't see  
Now we stand to frighten, scared to believe

Now I wait for you..  
'Till you wake me, from my sleep  
And I'll wait for you..  
Let my voice be, yours to keep

ahh..

The touch of your hand, on me  
A night everlasting, comes too deep  
Don't make me wait, for what I need  
This passion is burning, deep in me

Sometimes there's a moment  
Sometimes we don't see  
Now we stand to frighten, scared to believe

[x2]  
Now I wait for you..  
'Till you wake me, from my sleep  
And I'll wait for you..  
Let my voice be, yours to keep

ahh..

[x3]  
Wait for you..
