Wasted days, I'm caught up in the fruitless
chase

Wanting more than anything that's come
before

And I wish I didn't have to choose
When I know there is so much to lose

Cruel desires blind me to the simple things
Lost in fires of passionate imaginings
Cruel desires blind me to the simple things
Lost in fires of passionate imaginings

Simple things, simple things

Holding out, feeling that it just might come
Cursing doubt that keeps you from the perfect one
And I wish I didn't have to choose
When I know there is so much to lose

Cruel desires blind me to the simple things
Lost in fires of passionate imaginings
Cruel desires blind me to the simple things
Lost in fires of passionate imaginings

Simple things, simple things

I'm torn between what I know and what I
dream
