Your on the telephone  
telling me that she's gone  
now we've been down this road a million times before

Cause it's a sweet sensation  
thinking of all that hot temptation  
you know it's going right where you want  
yeah you know what's going on

I keep breaking my own rules playing your love fool  
trying to forgot about the consequence  
we keep saying we should and yeah we know we could  
stop  
but really what it all comes down to is

It feels so good,  
It feels so good, when i'm in your arms

Don't you know, It feels so good  
It feels so good,  
It feels so good,

You say it's dangerous you don't wanna be exposed  
But I know your like a mess and your not gonna let it go

But it's a sweet sensation thinking of all that hot  
temptation  
I can't stop, you know it's going right where you want  
yeah yo know what's going on

I keep breaking my own rules playing your love fool  
trying to forgot about the consequence  
we keep saying we should and yeah we know we could  
stop  
but really what it all comes down to is  
It feels so good,  
It feels so good, when I'm in your arms

Don't you know, It feels so good,  
It feels so good,  
It feels so good,

It feels so good  
feel so good  
just move with me  
move with me  
move with me

oh won't you move with me  
move with me  
move with me

I keep breaking my own rules playing your love fool  
trying to forgot about the consequence  
we keep saying we should and yeah we know we could  
stop  
but really what it all comes down to is

It feels so good,  
It feels so good, when i'm in your arms

Don't you know, It feels so good,  
It feels so good,  
It feels so good
