See the mirror in your eyes See the truth behind the lies Your lies are haunting me

See the reason in your eyes Giving answer to the why Your eyes are haunting me

/Huhh/
/Huhh/
/Huhh/
Falling in and out of love
In love, in love,
/Huhh/
Falling in and out of love
Your love, your love,
/Huhh/
Falling in and out of love
Your love, your love,
/Huhh/
Falling in and out of love
Your love,
/Huhh/
Falling in and out of love
Your love

See the mirror in your eyes See the truth behind the lies Your lies are haunting me See the reason in your eyes Giving answer to the why Your eyes are haunting me

/Huhh/
Falling in and out of love
In love, in love, in love
/Huhh/
Falling in and out of love
Your love, your love, your love
Huhh/
Falling in and out of love

Your love, your love, your love /Huhh/
Falling in and out of love
Your love, your love, your love

Why can't you see it
Why can't you feel
In and out of love each time
Why can't you feel it
Why can't you see it
In and out of love

I keep keep running I keep keep falling Love is fade away

You keep keep running I keep keep falling Love is fade away

Keep keep running I keep keep falling Love is fade away

/Huhh/ Away, away, away, Away, let Ã⁻t fade away
