"Love Too Hard"

Some stories unfold
This one showed its colors instantly
From the start I knew
Who you were

But I didn't walk away
Just underestimated
The wounds of denial
Were self inflicted

Just because
You love too hard
Just because
You love too much

You think you love's enough
To both of us
Strong enough for two
You love too hard
You love too hard

I never wanted this
Don't know why I went for the ride
Was always clear to me
All we were

And I should have walked away
When I had the chance to
The wounds of denial
I self inflicted

Just because
You love too hard
Just because
You love too much

You think you love's enough
To both of us
Strong enough for two
You love too hard
