I know you're feeling restless
Like life's not on your side
It's weighing heavy on your mind

But when we stand united
Our hearts, they beat in time
I know we'll make it all alright

Let's bring it back to you and me
There's no one else around
Now don't get lost in gravity

'Cause I want you to hold me now
Nothing else matters
It's just the two of us

And if it all falls down
Nothing else matters
I know we're strong enough

I'm not giving up
I'm not giving up on us
I said, I'm not giving up
I'm not giving up on love

We're of the same existence
No lock without a key
We can't deny it's meant to be
'Cause I feel it inside

Taking over tonight
I'll be there when the storm is breaking
In this moment I'm yours
You can always be sure
That together we're gonna make it

So baby, won't you hold me now?
Nothing else matter
It's just the two of us

And if it all falls down
Nothing else matters

I know we're strong enough

I'm not giving up
I'm not giving up on us
I said, I'm not giving up
I'm not giving up on love

Hold me now
Nothing else matters
It's just the two of us

And if it all falls down
Nothing else matters
I know we're strong enough

I'm not giving up
I'm not giving up on us
I said, I'm not giving up
I'm not giving up on love
