(Oooooohh aaah ahh ah)

Guess its true
what will life be
will i stay
whether i will get away
im scared but
i wont find a thing
i am afraid that i'll turn out to be alone
but i

i have to loose
have to try
mmn mmn
have to trust i have to cry
have to see
have to know
that i can be myself
(ooooohhh waaah aah)

see a load trip
to a knowones right
thought i knew but it turns out the other way
i am scared but i wont find a thing
i am afraid that i'll turn out to be alone
but i

i have to lose

i have to try
mmn mmn
have to trust
i have to cry
i have to see
have to know
that i can be myself

and if i could
i would stay
livin or not running away

i will stare in the distance
but i grow up to be just like you
hey
grow up to be just like you

i wanna tell you
why (why would i try to)
you (you are all that i can see now)
why would i try to

i wanna tell you
why would i try to
you are all that i can see now
why would i try to

(oooohh wah aaah)

(ooooohh)
