I've got time on my hands
Since you took your heart away from me
It's the only love I really want
Endless loss and pain sinking in
While thoughts are caving in

Suddenly Summer moved on
Come with meaning
Suddenly all that I have known
A world with no hope
Tonight years of memories
A future, no hope

Suddenly Summer moved on
Summer moved on

Suddenly Summer moved on
Come with meaning
Suddenly all that I have known
A world with no hope
Tonight years of memories
A future, no hope

Suddenly Summer moved on
Summer moved on
