Autumn leaves we treat as litter  
People living on a bench  
Childhood friends who lost contact  
Fallen soldiers in a trench

By the way are you watching?  
How the world says goodbye

Autumn leaves we treat as litter  
People living on a bench  
Childhood friends who lost contact  
Fallen soldiers in a trench

By the way are you watching?  
How the world says goodbye

Plastic islands in the ocean  
Violent storms drop atom bombs  
Hidden women walking slowly  
Desperate men sing sacred songs

By the way are you watching?  
How the world says goodnight

By the way are you watching?  
How the world says goodnight

City boy selling countries  
Surgeons lifting second skin  
Sitting by software windows  
Trying to find a virtual friend

By the way are you watching?  
How the world says farewell
