Now I'll Tell You Something Baby
You Shure Know How To Keep A Good Man Down
I Gave You My Heart And Soul
Kept You Warm When The Nights Were Cold
You Say You Need Some Time To Think It Over
But I Can't Wait No More
Down That Long Winding Road I'll Go
Running Fast Ain't Looking Back

Follow A Clear Blue Sky
On All The Dreams I'm Depending
Until The Day That I Die
I'll Be Waiting For Sunrise

Where The Winds Blow
That's Where I Go
Down The River To The Sea
Like A Blind Man
In A Strange Land
Will I Ever See The Day

Will I Ever See The Day... Woman

I Keep On Pushing Harder
Everyday The Song
Remains The Same

And I Never Seem To Learn
Bet My Heart On Love
Now I Got Memories To Burn
Everywhere I Go There Is A Trouble
Always Double... Baby
Spend My Time Drinking Too Much Wine

I Can't Take It No More

Follow A Clear Blue Sky
On All The Dreams You're Depending
Until The Day That I Die
I'll Be Waiting For Sunrise

Where The Winds Blow
That's Where I Go
Down The River To The Sea
Like A Blind Man
In A Strange Land
Will I Ever See The Day

And I'm On The Run...

Where The Winds Blow...
Where The Winds Blow
That's Where I Go
Will I Ever See The Day
Will I Ever See The Day

Will I Ever See The Day

I Keep On Pushing Harder Baby

Where The Winds Blow
That's Where I Go
Down The River To The Sea
Like A Blind Man
In A Strange Land
Will I Ever See The Day
Where The Winds Blow
That's Where I Go
Down The River To The Sea
Like A Blind Man
In A Foreign Land
Will I Ever See The Day

Will I Ever See The Day... Oh Lord... Woman
