### "Youtopia"

(feat. Adam Young)

I can feel you in the rising tide  
Can you feel me by the fire side

From the moonlight  
Through the cherry trees  
Open the roof and take in the view  
'Cuz you're my sweetest dream  
Come true

Colour the dusk, deep navy blue  
And try to be brave  
Cause I'll be right beside you  
There's a world so high  
Hold out your hands  
And you can go anywhere  
So reach for the stars  
Cause I'll be waiting up there  
And you can finally fly  
Cause you'll be lighter than air

Colour the dusk, deep navy blue  
And try to be brave  
Cause I'll be right beside you  
There's a world so high  
Hold out your hands  
And you can go anywhere  
So reach for the stars  
Cause I'll be waiting up there  
And you can finally fly  
Cause you'll be lighter than air
