(Hook, Frank Lee White)

We just, tryin'a find a place where

We can smoke our, weeeeeed

(Warren G)

Wit' out nobody fuckin' wit' us at all

Walk wit' me now

(F.L.W)

We just, tryin'a find a place where

We can do our, thiiiiing

(Warren G)

Wit' out nobody fuckin' wit' us at all

Walk wit' me now

(Verse 1, Warren G)

Well it's Frank, the bank, roll a tank

Roll the white, dolomite, takin' over the mic'

I like, what I'm feelin' here

See me man, standin' here, puffin' on that hemisphere

Come a little closer girl, I think I see a blemish there

Anyway, let's get back to the program

Get a strawberry Swisher, let's smoke man

Long as I'm wit'chu, we gon' be up in the clouds

High as a kite, and I ain't comin' down

(Down South) We be on them peach White Owl's

Frank Lee White, bout to smoke another ounce

I heard in Cali, they got that purp

Tryin'a figure out a way to cop that work

Sooooooooo, bless me

With another blunt of 'Droooooooooo

My chest feel like the shit about to blow

The whole world's spinnin'

Gimme a couple zones, and room full of women

And I'm straight

(Hook, Frank Lee White)

We just, tryin'a find a place where

We can smoke our, weeeeeed

(Warren G)

Wit' out nobody fuckin' wit' us at all

Walk wit' me now

(F.L.W.)

We just, tryin'a find a place where
We can do our, thiiiiing
