Yeah!!

Full throttle with my head laid back
The railroad tracks I ride
I seen the lights from the train come fast
that shit it makes me high

I like the way I feel
when Death is near my only friend
This is the fun ride
The beginning of the end

Yeah!!

[Chorus]
C'mon and Ride
C'mon and Ride
C'mon and Ride
To Hell with me

Mile high on a one way trip
and lookin to get up speed
Hold tight on the handlegrips
till my hands start to bleed

I like the feeling of being upclose
with cliffs to left and right
210 and I'm halfway there
and the po's ain't there that's so tight

[Chorus]
C'mon and Ride
C'mon and Ride
C'mon and Ride
To Hell with me

[Repeat]
Hey!
C'mon C'mon

[Chorus]
C'mon and Ride
C'mon and Ride

C'mon and Ride
To Hell with me

[Chorus 2x]
C'mon and Ride (Yeah!)
C'mon and Ride (Yeah!)
C'mon and Ride
To Hell with me
