Right is yours, demonstrate (demonstrate)
Smoking to suffocate (suffocate)
Carnival they got my body (they got my body)
Nothing to compensate (compensate)

You ain't that kind of carnival, baby
Carnival like never before
You ain't the king over all the world, baby
Cause the whole world ain't got no rule

[chorus:]

Slaaaaaam!
Slam! Comin' with me
Slam! Comin' with me
Slam! Comin' with me
Slam! Comin' with me
Slaaaaaam!
Slam! Comin' with me
Slam! Comin' with me
Slam! Comin' with me
Slam! Comin' with me

Cryptical is my place (is my place)
Rebellions of a race (of a race)

Carnival they got my body (they got my body)
I can run, they can chase (they can chase)

You ain't that kind of carnival, baby
Carnival like never before
You ain't the king over all the world, baby
Cause the whole world ain't got no rule

[chorus]

Parasites crawl inside you
Let them come take over you
Feel them run inside of you
I bet that day will break you

You ain't that kind of carnival, baby
Carnival like never before

You ain't the king over all the world, baby
Cuz the whole world ain't got no rule

[chorus: x2]
