"Last Resort"

Some people call me a sinner
Some people say I should be ashamed
I ask you why they don't give us no rest
It's enough, enough to drive me to despair

You looked like a fairy Smelt like a flower
Sweetest temptation I ever saw
The shine in your eyes and your laughing made my
heart sing
I fell in love, Suddenly I forgot the law

This love was so strong Seemed so hopefull
Damned sweet memories torment my brain
Now I'm here, And the rain falls on a grave
But I'm sure it can't rinse my pain away

(Chorus)
Wish you could be by my side
My dreams promise only lies
Illusions - I can't hold them tight
And I cry

Should I reproach myself with weakness
Is it crime to succumb to sin
To a sin, when it looks like an angelic girl
I couldn't defend myself against your sweet fifteen

I Wish you could be by my side
Implore the lord but in vain
I'll never can stop my cry (I can't stop my cry)

SOLO

So they had a reason for their gossip
For scorn and the hate from their stonecold hearts
You was too young to resist all these hurts
You was fifteen so the death was your last resort (last resort)
So I'm here and deplore the disaster
Painfull I feel nothing makes sense
No sorrow, no tears and no rage will make undo your

death
And I see to life without you I have to learn

Wish you could be by my side
My dreams promise only lies
Illusions - I can't hold them tight
And I cry
I Wish you could be by my side
Implore the lord but in vain
I'll never can stop my cry
And I cry
