CHORUS

DARLING...

Work That Body

Move That Body

Shake That Body

Let Me Play With that Body

Hot gal a dance pon the table, It's just a wanton display

Kick up your legs in the air now, all the men around in a daze

Hot gal laid out on the bed now, that certain look on her face

Well how much fun to be had now?

Oh Lord let me count the ways.

CHORUS

One and all the gal think about the bad man, but some of them are afraid

how the people around a chat.

Zulu me give them thoughts over the riddim, long time me tell you minute man

never gets a shot.

The gal a kill you with the physical libido, run them games the gal a put them man to shame

Hear tune the Zulu man a run, dem fi know.. when life's mundane she call my name

Long trip from London to New York, Zulu man is back on the case

You call them airline attendants, I call them darling for days

She has a friend in the city, big bhati and sexy voice I brought the camcorder with me, two girls you leave me no choice

CHORUS

Hot pleasure me give the little video gal and them
treasure the badman Zulu

is what the gal dem come for, the Rock Star yea The
Artist, the one who puts

it down the hardest.

The one who bend the gal over, foot pon de shoulder,
make dem bust up a sweat.

The type of sex that you read about inna de romance
novel you keep in your desk

Bad man Zulu give the gal dem extra, dem say dem
cant go work fi de next day
Run that riddim, easy my selector, tune buss big, you
give the badman airplay

Dance floor gal a remove dem clothes, hear bad man
she start working up a sweat
Some girls they're turning up dem nose, still dem all a
look for the time dem cant forget

CHORUS

You choose the pleasure you wanna, experience with
the girl

Lay down, cause LaLa she gonna, commence to
rocking your world

Girl I could make you my lady, freeze chain and light
up your wrist

Save you from this life, so crazy... How many times has
she heard this? (lol)
