Hey you, out there in the cold,  
Getting lonely, getting old,  
Can you feel me?  
Hey you, standing in the aisles,  
With itchy feet and fading smiles,  
Can you feel me?  
Hey you, don't help them to bury the light.  
Don't give in without a fight.  
Hey you, out there on your own,  
Sitting naked by the phone,  
Can you touch me?  
Hey you, with your ear against the wall,  
Waiting for someone to call out,  
Can you touch me?  
Hey you, would you help me to carry the stone?  
Open your heart, I'm comin' home.  
It was only fantasy.  
The Wall was too high, as you can see.  
No matter how he tried, he could not break free,  
And the worms ate into his brain.  
Hey you, out there on the road,  
Always doin' what you're told,  
Can you help me?  
Hey you, out there beyond The Wall,  
Breaking bottles in the hall,  
Can you help me?  
Hey you, don't tell me there's no hope at all.  
Together we stand, divided we fall.  
(we fall, we fall, we fall, we fall, we fall, we fall)
