if im not in love with you
what is this im going through, tonight
if this heart is lying, then
what should i believe in
why do i go crazy
every time i think about you baby
why else do i want you like i do
if i m not in love with you
if im not in love with you
what is this im going through, tonight
if this heart is lying, then
what should i believe in
why do i go crazy
every time i think about you baby
why else do i want you like i do
if im not in love with you
and if i dont need your touch
why do i miss you so much, tonight
if its just infatuation
why is my heart aching
to hold you forever
when a part of me thought id never
give again to someone i could lose
if im not in love with you
oh why in every fantasy
do i feel your arms embracing me
like lovers lost
in sweet desire
and why in dreams do i surrender
like a little baby
how do i explain this feeling
someone tell me
if im not in love with you
what is this im going through, tonight
if this heart is lying, then
what should i believe in
why do i go crazy
every time i think about you baby
why else do i want you like i do
if im not in love with you
