Of all the people in the world, why you and I

With lovers here and everywhere we don't care enough
to try

Why couldn't all the hurt we're feeling now have
passed us by

Couldn't love have picked a better place to die

And of all the hearts in the world, why yours and mine

How could we go from so much love to so much hurt
tonight

But it's in our hearts and it's in our bed and it's even in
your eyes

Couldn't love have picked a better place to die

Somewhere out there there's lovers who want to be
free

Why couldn't love have died with them instead of here
with you and me

But it's pityful how all these tears won't bring it back to
life

Couldn't love have picked a better place to die

Oh, couldn't love have picked a better place to die
