They made up their minds  
And they started packing  
They left before the sun came up that day  
An exit to eternal summer slacking  
But where were they going  
Without ever knowing the way?  
They drank up the wine  
And they got to talking  
They now had more important things to say  
And when the car broke down  
They started walking  
Where were they going without ever knowing the way?

Anyone could see  
The road that they walk on is paved in gold  
And it's always summer, they'll never get cold  
They'll never get hungry  
They'll never get old and gray  
You can see their shadows  
Wandering off somewhere  
They won't make it home  
But they really don't care  
They wanted the highway  
They're happy there today , today

The children woke up  
And they couldn't find 'em  
They Left before the sun came up that day  
They just drove off  
And left it all behind 'em  
But where were they going without ever knowing the way?

CHORUS
