There She Is, Miss America" by Bernie Wayne

There she is, Miss America

There she is, your ideal

The dreams of a million girls

Who are more than pretty

May come true in Atlantic City

Oh she may turn out to be

The queen of femininity

There she is, Miss America

There she is, your ideal

With so many beauties

She'll take the town by storm

With her all-American face and form

And there she is

Walking on air she is

Fairest of the fair she is

Miss America
