IT'S IMPOSSIBLE

It's impossible tell the sun to leave the sky,

it's just impossible.

It's impossible ask a baby not to cry,

it's just impossible.

Can I hold you closer to me

and not feel you going through me,

split the second that I never think of you?

Oh, how impossible.

Can the ocean keep from rushing to the shore?

It's just impossible.

If I had you could I ever want for more?

It's juat impossible.

And tomorrow, should you ask me for the world

somehow I'd get it, I would sell my very sould

and not regret it for to live without your love

is just impossible, impossible,

mm, impossible.
