Under me sleng teng, me under me hey hey
Under me sleng teng, me under me sleng teng

Way in my brain, no cocaine
I don't wanna, I don't wanna go insane
Way in my brain, no cocaine
I don't wanna, I don't wanna go insane

Because-a inna me eyes there is red like blood
and I been moving around like a human flood
Smoke out of me mouth and outa me nose

In Westmoreland a where the sense a-come from

an me put in de barrel 'ca me know it no spoil

I said me smoke it and me pass it thru de windah
an me give it to my nex door neighba
Me said me smoke it and me pass it thru de windah
an me give it to my nex door neighba
